\*\*\*\* Signs with only 3 colors are 5% cheaper than Full Color and that's why full color can sometimes be a better value than just 3 colors.

\*\*\*\* There is usually a small white border around the edges, customers must request all colors be extended to the edge. This is automatic when ordering less than 25 yard signs that are full color. To extend the colors to the edge of the sign it will be an extra 10 Cents per sign when you order over 100 yard signs.

**\*PRICES ARE FOR MORE SIMPLE DESIGNS THAT TAKE NO MORE THAN AN HOUR\***

The prices are for professional designs, but for extensive graphic design, we will charge extra. The more time it takes to design something, the more we have to charge because the prices are based on the amount of time it takes us to design your print work. We charge by the hour, but discount if it takes us a little less than an hour. We will quote you a price if the work is extensive. Our rate for extensive graphic design is **\$35.00** an hour and **\$20.00** for a half hour.

**EXTENSIVE GRAPHIC DESIGN** – This is the type of design that may take longer than hour, but also includes using Adobe Illustrator to create vector based shapes and backgrounds. If you have to design anything from scratch like a detailed background or logo or any kind of vector shapes to make the artwork, this is Extensive Graphic design. Anything designed that does not use a premade, block, or single color backgrounds is also extensive graphic design. If it takes less than an hour then it's probably a simple design.

**ORDERS PLACED BY 12 AM CST, & APPROVED BY 10 AM CST – THAT DAY WILL BE THE 1<sup>ST</sup> TURNAROUND DAY**

**SATURDAY and SUNDAY ARE NOT CONSIDERED BUSINESS DAYS. RUSH ORDERS ARE GUARANTEED FOR 3 TO 4 BUSINESS DAYS UNLESS THERE IS PROBLEM WITH PRINTING**
